Hi Morgan, good afternoon.

The current payment gateway system you are using, the Intelligent Payment Gateway (IPG / Turnkey) has reached end-of-life, for that reason it will be discontinued and will no longer accept online payments. A previous email informing the changes was sent to you on **24th of April**.

The email that you will receive today from [register@boipa.com](mailto:register@boipa.com) is the registration link for the BOI Payment Acceptance (BOIPA) as it will be the new getaway system provided by us. Please ensure to check your junk/spam.

To register, please do the following:

- Create a Username that is not your email address (some websites/systems tend to use email

& username interchangeably which causes confusion).

- Create a Password that must consist of: at least 10 characters, uppercase & lowercase letters, numbers, symbols.
- Input your First Name and Surname.
- Select the correct Mobile Country prefix, respective of the country you're based in, i.e. +353 for Ireland.
- Add your phone number in the Mobile Number field.
- After register you will receive another email with you CLIENT ID, make sure to keep this information.
- Once registered, you can access :  
<https://portal.boipagateway.com/#/login>

Here are some extra information that will help you to navigate in your new virtual terminal:

How to create new users -

<https://www.boipa.com/en-ie/user-management>

**Shortly you will receive two secured emails with the live credentials for your website, please make sure to update it.**

If there is anything else I can help you with, let me know.

Kind regards,

Angelica
